

Division Street Dance 2017-2018 Costume Payment Form

It's Costume Time! Our Spring Recitals are the exciting culmination of a year of learning, hard work, fun, and growth as dancers and classmates. Our recitals are fully-produced, professional performances that result in lifelong memories for your dancer and your entire family. The costumes are one of the most important components of the recitals. Posters of each class's costume will be displayed in the studio in November. **Please see below for your dancer's costume fee(s). Costume Payment Schedule is as follows:**

1st half due October 16th
2nd half due November 15th

*****Any payments received after Nov. 25th, please add \$10 per costume for shipping.**

The costume fee below is the total and includes all accessories, including one pair of tights per costume. If you would like to order additional tights, please include an extra \$10 per pair and note on your form which costume they are for. Costumes may be paid in full by October 16th if you so choose. Measurements will be taken in class during the first week of November, and we always add an inch or two to allow for growth throughout the year, especially in our younger students. Costumes will be worn for our Spring Recitals in May and Picture Day in April, as well as competitions if your child is on a team or solo/duet. **Costumes will only be ordered if paid in full and will only be sent home with a student if their account is paid in full. Costume fees are non-refundable after Nov. 15th.** Please remember the Gertens Holiday Greens and Poinsettia fundraisers available to assist you in paying for costume fees. Info regarding this fundraiser will be out by October 2nd. Please mark an "X" next to each class your dancers are in:
