## **Competition Team Auditions**

**We will be holding auditions for our 2020-2021 competition teams on Monday, July 20<sup>th</sup>.** These auditions are mandatory to participate on a competition team next year. They are free of charge and open to any dancer! New this year, and in an effort to keep our students as safe as possible, DSD will be sending out videos of choreography for dancers to learn at home and then coming in to the studio with present during an audition time slot that is assigned to them. Auditions will take place in small groups of 3-4 of similar age and experience. Videos will be sent out during the week of July 6<sup>th</sup>. Make up auditions done via submitted video can also be arranged if needed.

There will also be an **informational meeting held on Wednesday, July 15<sup>th</sup> at 6 pm via Zoom.**

**Attendance is welcome for both new and returning team members and their parents.**

**There will be optional Audition Prep classes offered on Wednesday, July 8<sup>th</sup> and Wednesday, July 15<sup>th</sup> from 7-8 pm. These classes will focus on the skills team members will be asked to show during auditions, not the choreography. These are great opportunities to polish those turns, leaps, and tricks that you have been working hard to perfect or ask questions to dig in deeper to proper technique. Each class is \$10 each.**

DSD currently offers team opportunities in Jazz, Tap, Lyrical, and Hip Hop for ages 5-18, as well as solo, duet, and trio opportunities for all ages.

## **Private Lessons - All Ages and Technique Styles**
