Arrival Procedure:

1. **Arrive at the studio in costume.** Please wear hair however it looks best for your child with the hairpiece from costume. Make up is encouraged but not required.
2. Finish putting on costume accessories in the studio lobby. Please **do not** have your children wear necklaces, bracelets, or extra jewelry of any kind. **Do** have your child wear the hairpiece that came with her costume. If straps need to be sewn or pants shortened, please do this **before** Picture Day. Please check your class's poster in the studio if you have accessory or costume questions.
3. Please go to Studio I first, where **Group Photos** will be taken.
4. Next, go to Studio II, where **Individual Photos** will be taken. Give your picture order form (with money included) to the photography associate in Studio II. Please prepare a pose beforehand. (If you do not want **Individual Photos**, please skip to #5.)
5. Return to the lobby. That's all unless you are in another class! Photos only take about a ½ hour. Thank you!
 - **Please bring only dance students to the photography session!**
 - **Parents, please, no street shoes on the wooden dance floors. Thank you!**
 - **All students are included in the group photos, regardless if pictures are purchased or not.**
 - **Dancers who need to change at the studio for multiple classes, please use the dressing room or bathrooms.**
 - **Solos/Duets/Trios, you may take your individual photos in your costume if desired at any time that's convenient for you.**

Please have your dancer at the studio, dressed in costume and ready, at the time indicated. In an effort to stay on schedule, we cannot wait for any dancers who are not there at the scheduled time. The **Group Photo** will be taken in costumes, with all accessories and shoes indicated by class. **Individual Photos** will be taken **ONLY** for those purchasing them (using the order form) immediately after the **Group Photo** is taken. **PLEASE PREPARE A SPECIFIC POSE FOR YOUR INDIVIDUAL PHOTO.** There will be **NO** review of photos. If you are not satisfied, a full refund will be given. Photos will be ready to be picked up a few weeks later. These pictures are a very nice way to record your child's accomplishments! **THANK YOU!!!**
